Copper Lugs Copper Cable Lugs Copper Battery Lugs Copper Terminals battery terminals

We are one of the leading manufacturers of Copper Lugs Copper Cable terminals Copper cable terminals for all American wire sizes and various threaded stud sizes. We have heavy duty power presses which can churn out tens of thousands of Copper Lugs Copper battery Lugs , Copper battery terminals, Cable terminals by tens of thousands every day.

Made of pure copper, our cable lugs provide the best performing electrical connection between your power sources and your power cable. Copper provides the highest electrical performance to price than any other metal. However, pure copper can corrode. If you are using the lugs in an exposed environment, you must protect the copper lug from corrosion using a product such as Tin plating.

Sizes: 6 and 4 gauge, 1/0 , 2/0 , 3/0 , 4/0 gauges .

Material: 99.9% Copper tubes, Also available Brass lugs

plating for Copper Terminals and Copper battery Lugs: Electroless Tin plated
